JOHNSON EXCLUSIVE TECHNOLOGIES

At Johnson Health Tech, we invest in advanced technology that completely redefines the exercise experience. These unique features are exclusive to our premium products, so you won't be able to find them anywhere else.

Exact Force Induction Brake offers instant, smooth, precise resistance changes at the push of a button, and with no moving parts, it's quieter and more durable as well.

Suspension Elliptical Technology features a wheel- and track-free design to reduce noise and friction for long-lasting quality while providing a smooth, consistent feel through the ellipse.

XIR

THE ULTIMATE IN ENTERTAINMENT

Product includes some applications that require service agreements with the content providers of those applications. Service agreements with those third parties may not be available in your country.
* XIR only.

JOHNSON EXCLUSIVE TECHNOLOGIES

At Johnson Health Tech, we invest in advanced technology that completely redefines the exercise experience. These unique features are exclusive to our premium products, so you won't be able to find them anywhere else.

Our integrated ViewFit connectivity system sends workout data to the fitness apps and tools you already use. It also makes it easy to share data in your favorite social networks.

This scientifically validated high-intensity interval training program burns fat and builds muscle in short workouts that anyone can fit into their schedule.

Passport compatibility makes it easy to experience the global HD destination footage of our immersive Virtual Active program on your big screen.
