## VIRTUAL TRAINING CYCLE

Now members can discover a new way to ride, every time they ride.

Finally, all the different people you serve can ride the way they want to with the Matrix Virtual Training Cycle. They can take on exclusive programming, stream music, movies and shows, and access instructor-led cycling classes — all on a cycle precision engineered for intensity.

Precision-engineered cycle with a unique freewheel design includes magnetic resistance for smooth, quick adjustments and the feel of a real outdoor ride.

Access instructor-led classes and Matrix-exclusive programs, including: iFIT on-demand workouts; 20-minute Sprint 8 HIIT; Virtual Active forward-motion HD destination footage; and Target Training that tracks watts, heart rate, RPMs, distance or calories while helping members gauge progress with engaging graphics and intuitive colors.

Bright, crisp 56 cm / 22" touchscreen with app-based interface mirrors familiar smartphone and tablet operating systems for intuitive navigation.
